

Sun 30th April- Match V Ouse Valley Flyfishers at Lakedown , Burwash

This is a truly lovely fishery now run by Roger Daltrey's son Jamie which now has a more balanced stocking policy, keeping prices at a reasonable level but still providing some trophy fish. With 4 lakes there is plenty of room for everyone and the clever design allows for a variety of environments and hence methods from lures ,through nymphs to dries The lodge also now has a "taproom" selling Lakedown brewery tipples.

Cost: £50 which includes a 4 fish ticket, free tea and coffee and prizes including a 3 fish and 2 fish ticket for the fishery kindly donated by Jamie.

NB. To secure these discounts and prizes we need at least 10 per side so let's have a good turnout , it was good fun last year.
